About Us

Asha The Hope is a learning gateway that focuses on inner transformation through expanding your consciousness by self-development and raising cultural intelligence. We provide expertise and skills required for that, to any individual seeker or counsellor. Behind 'Asha The Hope' are the founders, Dr. Asha, Mr. Girish who are leaders in the field of cognitive education. We are proud to be one of the first platforms to offer online accredited courses, which use effective methods to teach and bring forth the students' dynamic understanding of the mind, life, and the way it works. All students are valued and above all, supported through their journey of learning and attaining a professional title of achievement.

Our Vision

We aim to bring knowledge and self-empowerment to our clients through every thread of their life by giving them the tools to enrich the areas of health, wealth, and happiness.

Our Mission

We are committed to impart and connect the knowledge of modern, ancient, and western psychology. Our Objective Learning is a collective experience through our mind, consciousness, and the internal factors of what we think and feel with our five senses and is expressed in the form of words and actions. These along with other subtle senses within consciousness play a major part in creating our daily reality. When our mind is aligned on all these levels, we attain balance with internal and external environments.

Our Work Culture

- We are a well-integrated team and believe in teamwork.
- Every individuals' ideas are welcomed and heard.
- We motivate and nurture individuals to reach their best potential
